Freedom to Worship

Something that has emerged as another “cause” for people to get worked up about is the notion that covid-19 restrictions on worship gatherings are a violation of our freedom to worship. A couple of comments on this.

First of all, this argument assumes a very superficial and shallow understanding of worship. To think that worship only means being in a building and sitting in pews singing out of a hymn book is simply a notion not thought through. Here at St. Paul we’ve been sitting in our cars and watching online. By all accounts this has been worship, and from some of the comments I’ve received perhaps a more meaningful form of worship than what we had before. Covid-19 restrictions haven’t kept people from freely worshipping at all. We are free to worship in many ways, except one. Hardly much of an impingement on my freedom!

Secondly, to consider covid-19 restrictions as a threat to my freedom is a very superficial and shallow notion of freedom. True freedom always involves accepting restrictions. If you decide to become a parent you restrict your freedom. If you decide to get married you restrict your freedom. If you decide to join the military and serve your country you restrict your freedom. The whole definition of Jesus love was nothing but his willingness to limit (restrict) himself on our behalf. Freedom always involves restricting yourself for the benefit of others. All we’re being asked to do is what freedom is!

I suppose if your understanding of freedom is “being able to do whatever I want” then yes, these covid-19 restrictions may violate your right to be free. But as Christians, we understand that this never was what freedom was meant to be. True freedom ends in love of neighbor.

We can debate about whether or not covid-19 restrictions are “too tight” or “too loose”. Fair enough. But when it comes to freedom, let’s do what our faith says freedom is. Let’s restrict ourselves for the health and safety and well-being of our neighbor. Let’s really be free!

Old Business

- Pastor Mark did some searching and found a computer at Computer Plus in Fairbury. Pastor said it would be in the ball park of \$600 for the complete system. Gary made a motion to allow a budget of no more than a \$1000 for a new computer/software/additions he made need for this purchase. David seconded the motion. Motion passed.

- Pastor Mark has been doing some price comparing with copier companies. Capitol Business Systems Inc. offered a better deal than Solution One what plus had better customer service. Darin made the motion to switch to CBS Inc. and David seconded. Motion passed.

- Pastor Mark shared with council some videos that he has put together trying to incorporate some more spiritual formation back into St. Paul. These videos can be found on the church's website which is stpauldiller.com. We encourage you to check out these videos and get some feedback on them on what you think and if you would be willing to have something like this incorporated in our faith formation.

New Business

- The church council has decided to continue to have drive-in services and Facebook Live tapings of our Sunday service at least until the next council meeting which is June 17th. The council still doesn't feel comfortable at this time letting members back in the church safely. After the next council meeting, we will assess the Covid-19 situation and continue from there. We appreciate everyone's understanding and cooperation during this difficult time we are in.

- We are going to continue to keep the safety deposit box in Fairbury at least until this Covid crisis been resolved.

The next council meeting was scheduled for June 17th at 7:30. Gary made the motion to adjourn and Darin seconded. Motion passed. The meeting was closed with the Lord's Prayer.

ST. PAUL VBS COMING SOON!

St. Paul Vacation Bible School has been moved to July 27-31 due to the pandemic.

The sessions will run from 9-11:30 each morning, and instead of a program during the Sunday Worship service, we plan on doing an evening celebration on the last day, possibly with a cookout dinner with the families.

Volunteers are needed - if you are interested in helping out and/or donating items for snacks, please contact Pastor Mark, Beth Roelfs, Kristen Hennerberg or Kristen Heidemann.

Sign-up sheets for volunteers and donations will be placed in the Narthex over the summer once we resume in-person worship. Hope to see you there!!

Congratulations to Melvin and Jean Weers on the birth of their Great-Granddaughter, Addilyn Grace Price.

She is the daughter of Anessa (Weers) and Curtis Price and was born May 15 with a little bit of a scare and some time in the NICU, but is now home with mom and dad and doing well.

Addilyn is welcomed home by big brother Jaxon and the entire family.

God's blessings to your family!

Women of the ELCA

The May WELCA unit meeting scheduled for May 6th was cancelled due to the Covid 19 restrictions. The officers worked together to draft a report to share current information.

Since our last unit meeting in February, we were saddened that many activities and events, such as, Eunice Circle, Work Day, The Spring Gathering and the Spring Salad Supper have been cancelled due to the virus. Take note, that we were not able to reveal Prayer Partners since we did not have the Salad Supper, so it will be up to each individual to reveal themselves to their Prayer Partner. We have made the decision, due to dwindling interest, to discontinue drawing for Prayer Partners.

Currently our treasury balance stands at \$720.35

The WELCA officers did serve the last Lenten meal at the church before the restrictions were implemented for our church.

Our WELCA organization, led by our Work Group Leaders, has served the funerals of three cherished church members in recent months. We are grateful that the church council has agreed to move forward with the remodeling of the Sunday school area to make more room for families and serving.

There are a couple Legislative Bills out this year concerning Human Trafficking, please pray for the passage of these bills and the victims they will help.

LWR will no longer accept fleece material to be used for quilts or blankets for Baby Care Kits due to environmental issues, also they are also no longer accepting bulk soap.

The Diller Picnic has been rescheduled for the weekend of August 8th. We don't know at this time if we will be asked to work in the food stand. We will have to update you on this as decisions are made.

We are planning to continue with several of our projects that we have been doing in the past. We will continue sending monthly cards to our special friends, people scheduled to send in the upcoming months are; June-Sherry Henrichs, July-Beth Roelfs, August-Radene Beran, September-Jane Pretzer, October-Julie Schmidt, November-Donna Damrow, December-open.

The quilters will continue their work as restrictions allow, hopefully in the near future. Please continue providing material for their use.

Baby Care Kits and School Kits are in the working stages of collecting materials. As you may recall, because of the cost of these projects, in the past we have asked for donations to help defray the costs. It takes approximately \$5.80 to complete one School Kit. During the month of June, we are asking for monetary donations to help in purchasing materials and items to make 50 school kits. If anyone would like to donate to the School Kit Project, you may give your donation to Ardith Barber or Irene Gibson. We are so grateful to Irene for spearheading this project the last several years, she has done an outstanding job.

The next unit meeting is scheduled for August 5th at 7:00 p.m. Be safe and hope to see you then. ~ Submitted by Ardie Barber

Happy Birthday, Norris!!

There was a special celebration for Norris Gold on May 24 following worship services to celebrate his 90th Birthday.

Due to the pandemic, the celebration was a drive-by party to wish him the best with horns honking, many signs

displayed with birthday wishes and a big parade of cars to help him celebrate. In these times, it is a big adjustment, but we are still finding ways to get together - even from a distance - to support and care for each other. Hope you had a wonderful day!!

Congratulations Graduates!

The church celebrated our graduates during the May 17 drive-in worship service. Graduates in attendance were Sarah (Schmidt) Meyer and Isaiah Weers for their advanced degrees, and Samantha Clifford (pictured) and Neleigh Weers for High School graduation. That afternoon, the High School graduates were honored in a parade in downtown Diller followed by downtown Odell in what would have been their graduation weekend. The pictures of the graduates from the parade are beside the senior video screenshots. Congratulations to all our graduates! Your church family is very proud of you!

Samantha Clifford

Diller-Odell graduation was moved to June 6 after the outbreak ended in-person classes on March 18 and the last quarter took place online. The school put together a video featuring the graduates and the pictures are screen shots from that video. Pictures from graduation will be in the August Newscaster to celebrate their milestone achievement during a once-in-a-century event.
