## **You're not going to find it out there.**

It's remarkable how much of our life revolves around the externals. Christians for example often perceive the Christian life as about how one behaves. But behavior is all external. We often make the Christian life about what we believe. But our creeds too, are external to us. Our possessions are external. What things look like is external. Our bank account.....all external.

Think about it. How much is what you want or desire right now outside of you? A trip, something for your house, an award? A person? A friend? Right now as I'm writing this, what I want to do, is get the yard mowed. But that too is on the outside.

Jesus of course took a different approach to finding the kind of life that we are looking for. He put it this way, "First clean the inside of the cup, so that the outside may also become clean". What he meant it seems is simple. That what we need isn't out there. It's a change within.

The move from a life focused on "out there" to a life that's found in your own heart is not an easy transition. But sometimes we just need the reminder. The path as old as history is learning to say no to all that external stuff that seeks to control your life. Stopping, resting, doing nothing. And welcoming a person that all too often you don't know very well. You.

That welcome of course is what we're looking for. That's the Good News

This option would include recorded videos and mail home packets. Beth will speak with the Council to get their permission to have VBS at St. Paul Church.

With the rise in Covid cases in the state, the committee thought the safest option would be to go online. The committee work on creating interactive videos (posted on Facebook) and Beth will mail out packets of information to all the youth. - Pastor Mark purchased a new computer from Blackburn Technologies for \$875.00. Old one was outdated and needed to be updated.

### New Business

- The church council sent out a survey to the congregation last month in regards to the continuation of church services. The survey offered three options. After carefully looking at the ballots and survey data, the council decided to have continue with option 2. Option 2 allows for everyone to continue to use the drive in services with the option of coming inside and viewing the service on the big screen. The screen will have the Facebook Live feed projected onto it. Pastor will remain by the front doors giving the service. Members who choose to sit in the church will have to practice social distancing and wear a face mask. There will be no congregating/coffee time inside the church at this time. Everyone is still welcome to bring lawn chairs and sit outside the church underneath the trees. If you have any questions or concerns, please contact a church council board member. The proposed implementation date is August 9<sup>th</sup>. This is if technology allows us to make this change.

- August 2<sup>nd</sup> will be Confirmation Sunday. Only confirmands and their families are allowed to be inside for the service, but the sound will be projected outside just as we did for the past funeral. If you have any questions, please contact Pastor Mark. Everyone is welcome to come! Cake will be served outside afterwards.
- Pastor Mark is taking vacation from August 3-16. If you have questions or assistance with anything, please contact a church council member. Church services will still continue during this time and will be coordinated amongst the church council members.

# "Back To The Bible"

VBS was very different this year. Packets with VBS materials were mailed out to the children of the community and the lessons were posted on the Facebook page, just like the Cross Walk at home to finish the year. The day started with Bible facts, and then a Bible story was acted out in a skit. Here is what went on in Week 1:

Day 1 - Started with a couple Bible Facts and then went in to the story, Don't Miss The Boat - about the story of Noah and the Ark. They finished the day with a Sing-Along, "Rise and Shine" so we can "Give God the Glory, Glory!"

Day 2 - Started with "The B-I-B-L-E Song", did a review of Day 1, shared new Bible facts and then the story of A Gigantic Problem - the story of David and Goliath. David defeated Goliath because God protected David, and God protects us. God is on OUR side! The day finished with a kind of sharing of peace - sharing our "Highs and Lows", something we do during CrossWalk and Confirmation to engage in fellowship with each other and sharing our burdens and our joys together.

Days 3 and 4 will be in the September Newscaster along with the "Parking Lot Party" that the Bible School kids will enjoy on August 7 to celebrate VBS.

# Our Youth Achievements

## Spencer Schmidt of Diller named to spring Deans' List/honor roll at Nebraska

Spencer Douglas Schmidt of Diller has been named to the Deans' List/Explore Center List of Distinguished Students at the University of Nebraska-Lincoln for the spring semester of the 2019-20 academic year.

Schmidt, a junior chemistry and geology major, was named to the Dean's List for the College of Arts and Sciences for his coursework in sciences, geology and mathematics.

More than 7,500 students at Nebraska have been named to the Deans' List for the spring semester.

Qualifications for the Deans' List varies among the eight undergraduate colleges. All qualifying grade-point averages are based on a four-point scale and a minimum of 12 graded semester hours. Students can be on the Deans' List for more than one college.

**Reese Brian Hennerberg** received spring All-Academic honors for student athletes at Nebraska Wesleyan University.

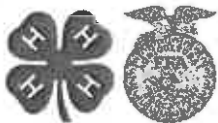

To qualify for USTFCCCA All-Academic individual honors, a student-athlete must have compiled a cumulative GPA of 3.30 and must have at least one of the following athletic standards competed in an NCAA Indoor Championship; finished the regular season ranked in the national top 50 in an individual event or ranked in the national top 35 in a relay event on the official NCAA Descending Order List.

**Reid Pretzer** is completing an internship with the Dorchester Farmer's CoOperative in Odell before his senior year at the University of Nebraska – Lincoln, and Internships are somewhat hard to come by this year due to COVID. He was recently featured in a podcast from the CoOperative about their alternative agriculture product, raising shrimp, here in Nebraska. He gave a very informative interview about how this alternative agriculture was set up and run, and some of the challenges they have faced in making this product successful. He will be completing his degree at the University of Nebraska.

*Congratulations!*

## High Achievers at the Jefferson County Fair

Many of the Youth in our Church participated in the Jefferson County fair July 15-20.

The pictures are a very small sampling of The many projects they spend a lot of time on throughout the year, and we all were VERY happy to be able to participate in the County Fair.

Congratulations and WELL DONE to all of our talented exhibitors!

At Left, some of the Champions for Clothing Exhibitors. At right, since the static exhibits were not displayed this year, a "photo booth" was set up for exhibitors to show their projects

*Diller-Odell graduation took place on Saturday, June 6, 2020.*

*The students had a late graduation due to COVID-19, and they all were very happy to have the graduation ceremony, since some restrictions were in place, but our counties were able to hold this very important event for our youth.*

*A little late with a little distance, but still the same lovely ceremony.*

Special recognition from the church took place in May for our college and high school graduates and pictures can be found in the June-July Newscaster. Congratulations to all of you!! It has been such a crazy year where everything was turned upside-down and inside-out, but you all adapted and were able to celebrate your achievements. We are all so proud of you, how you made it through to the other side!

Our High school graduates, beaming with pride, are (L to R); Samantha Clifford, Hannah Ebeling, Nicolaus Engelman, Haley Jones (unable to attend the ceremony) and Neleigh Weers. Congratulations to you all!

## **God Amid Pandemic**

Last spring, life changed as we became familiar with terms such as social distancing, flattening the curve and self-quarantining. We could hardly believe the closed schools, businesses and especially churches - just as Holy Week and Easter drew near! The coronavirus ran rampant in the world. Where was God?

But as the spread continued, many civic leaders stepped up, calmly informing us of the facts, of actions being taken to mitigate the crisis and of how we could help. Healthcare professionals risked their lives and endured separation from families; teachers drew on astounding stores of creativity to teach online; pastors delivered sermons and lessons to empty sanctuaries as members listened and prayed while living in lockdown. Surely God was present - through them!

Then I remembered how God assures us through Isaiah, "Fear not! When you pass through the waters, the fires, yes, even the pandemics of this world, I will be with you" (43:1-2, paraphrased). As Jesus echoes, "I am with you always" (Matthew 28:20).

*- Sandy Hyland, The Newsletter Newsletter, August 2020*

The WELCA organization would like to thank everyone who donated to the school kit project last Sunday.

We had an amazing response and plan to make 50 kits.

If anyone would still like to donate, you can give it to Ardith Barber.

Thank You!

Thank you to all the individuals with the construction and remodeling of the Sunday School gathering room.
